

RANDLAY COLTS NEW PLAYER REGISTRATION

Randlay Colts uses an online system to make it easier to register players and to make secure payments to the Club, the online system also reduces the administration burden upon our volunteers and allows Managers and Coaches to focus on training the team and not on collecting forms and payments.

We hope you find the process simple and straight forward and if you do have any problems please feel free to discuss these with your Manager.

REGISTRATION FEE AND TEAM SUBS

Unfortunately, there are many costs in running a Football Club and we endeavour to keep these to a minimum and we seek funding and sponsorship from a variety of sources to keep fees as low as possible for parents.

The Subs for joining Randlay Colts as a signed player is £111, to keep payments simple we offer the following payment options:

- £111 One off payment
- £37 x 3 Monthly payments

Payments are due upon registration and is requested as part of the online registration process.

We request that all payments are made online and these can be made either by completing an online direct debit mandate (via go-cardless), credit card or paypal. The system is secure and no banking or personal details are retained or accessible by Randlay Colts. Please have your banking details available when registering.

If you're unable to make online payments, please speak with your Team Manager who will confirm alternative arrangements with the Club.
